

REGISTRATION GUIDE – WS2024

For the **wintersemester 2024**, you will have to register for the following courses:

- VO Introduction to Journalism & Society (220024),
- VO Introduction to Strategic Communication (220018),
- VO Introduction to Media & Politics (220011),
- SE Scientific Skills (220069),

- VO Introduction to Research Designs and Data Collection (220071),
- UE Planning Research Designs and Data (220072),
- VO Introduction to Data Analysis (220076),
- UE Applied Data Analysis (220077).

The VO courses do not have a registration deadline period and you can already register for them. The UE and SE courses, however, do have a registration deadline period from **Mo 16.09.2024 09:00** to **We 18.09.2024 18:00**. Deregistration is possible until **We 18.09.2024 18:00**. The time of your registration within the registration period has no effect on the allocation of places (no first come, first served).

The following screenshots show the process of registering for a VO course. For registering for the other courses you may proceed in the same manner, however you will have to allocate points/preferences. Note that in this program all students will be let into the courses/ a lack of points will not lead to not being registered!

Click on **“Register”** to complete the registration. As soon as the registration period has elapsed, the system will allocate the places on the courses and the status of your registration will be updated in u:space and you will receive an information e-mail on your u:account e-mail address. For more information read the instructions on <https://studieren.univie.ac.at/en/semester-planning/registration-for-coursesexaminations/>.

Step 1: Go to <https://ufind.univie.ac.at/en/index.html> and click on **Course Directory**.

The screenshot displays the u:find website interface. At the top, there is a navigation bar with the University of Vienna logo, the text 'universität wien', and the 'u:find' logo. To the right, there are links for 'LOGIN', 'EN', and 'QUICKLINKS'. Below this, there are buttons for 'HELP', 'BROWSE', and 'FEEDBACK'. A search bar is located in the center, with the placeholder text 'course, person, ...'. Below the search bar are 'SEARCH' and 'HELP' buttons. A 'Browse:' section contains two links: 'Course Directory' and 'Staff/Unit Directory'. The footer includes social media icons for Facebook, Twitter, YouTube, and Instagram, along with the text 'universität wien' and 'University of Vienna | Universitätsring 1 | 1010 Vienna | T +43-1-4277-0'. There are also links for 'Imprint', 'Accessibility', 'Privacy policy', and 'Printable version'.

Step 2: Find your Masters' Program under Directorate of Studies 22-Journalism and Communication Studies: **22 03 Master Communication Science (550)**.

Step 6: Once you have registered for your VO courses, you will immediately see a green check and a message saying that you have been successfully registered. In the case of UE and SE courses, you will get this message once the registration period has ended.

The screenshot shows a navigation bar with 'Courses' selected. Below it, a breadcrumb trail reads 'Home > Courses > Anmeldung'. The main heading is 'Registration for courses and exams'. A green 'HILFE' button is visible. A green notification box states 'Registration successful' with the message 'You have been successfully registered for the course.' Below this, a 'Registered' status is shown for the course '220076-1 VO VO Introduction to Data Analysis (2023W)'. The course details include the lecturer 'Annie Waldherr', the next class on '10.10.2023 13:15 - 14:45' in Seminarraum 9, and 13 interested persons. Registration dates are from '01.09.2023 00:00' to '30.09.2024 00:00'. A 'Deregister' button is present.

On u:space under [Courses > Registration overview](#), you can see all the courses that you have registered for.

The screenshot shows the 'u:space Studium' interface. The user is logged in as 'Fateme Asadi Pour (fatemeha18)'. The 'Courses' menu is open, showing options like 'Registration overview', 'Points and preferences overview', 'Semester planner', and 'Extension curricula'. The 'Registration overview' page displays the text: 'This overview shows you all courses and exams for which you have already registered. Further information about the course and registration system'. A button 'open u:find' is available. A search bar with 'Full-text-search', 'Status', and 'Course type' filters is shown, along with 'Search' and 'Reset search' buttons. A dropdown menu for the year '2023W' is partially visible.
